Youth Bank Bid

Some of the group met on 20th June to put together a funding bid for Youth Opportunity Fund. This had to be revised slightly as it went over budget but has now been submitted. We will have to wait and see if we have been successful with our application.

Dates for the Summer

It was decided that we would spend two days in the summer holidays working on our project. One day will probably be to concentrate on the information pack we will give out and one day to focus on the actual event.

We will meet on Monday 20th July and Tuesday 25th August. Sherilyn will arrange venues and let everyone know.

Casualty Reduction Board

At the last meeting it was decided we would put together a presentation that we could hopefully give to the Casualty Reduction Board. We spent most of today's meeting putting this presentation together. Jack is now working on the lay out.

It was decided we would meet again on Thursday 30th June at Kelvedon Fire HQ to practice delivering the presentation.

The next Casualty Reduction Board meeting is on Tuesday 28th July at County Hall from 2pm-4pm hopefully we will be able to get a spot on the agenda.

Ford

Kyle wrote to Ford telling them about our project and asking for support. A meeting was arranged but had to be cancelled at the last minute. The meeting will hopefully be rearranged for later in the month.

Sitting

Saturday July 4th is the next YEA full Sitting at County Hall. There will be County Councillors and Senior Managers there and you will be able to present your plans to them and hopefully get their support.
