- Fraser thought the cigarette should be removed from the male poster for CAFE.
- Ricki has definite support of his local youth council for CAFE.
- We decided the website address to the CAFE campaign poster.

**Item 5 – Policy on attendance**

- We will now write letters to MYP's if they continue to miss sub-group meetings even if they have sent apologies.
- 3 without apologies as in the YEA code. (special circumstances taken into consideration)
- 5 with apologies unless there is a VERY good reason why they could not attend or contact us to let us know they wouldn't be attending.
- If this happens without good reason members will be demoted to deputies. If after this, it continues we will contact their constituency for further discussion. If deputies have worse attendance we will discuss further action.
