* Please see attached letter and make any comments/amendments. This will be sent to the designer by next Monday 26th October, and will go as it is if there is no feedback.

7. Partnership Working

Black history month

Catherine is looking into the possibility of a trip to a cultural market in London, possibly Camden, to enable an insight in cultural diversity.

There are also events being held this month to celebrate Black History.

* Please contact Catherine if you would like to attend any of these.

Equality and diversity

Possible meeting dates with Anita Kemp:-

No date decided. Emma can't do Monday or Thursday Catherine needs to check free dates.

Pledge for schools- We think it is a good idea. Catherine to look into inviting Prue to attend our next subgroup meeting to discuss this further.

8. Café event

We talked about creating a buzz quiz and getting the EA truck.

* Subgroup members to look into this and let Catherine know how to go about doing this and to check the website for EA for possible people to come along

Sam came up with the name 'CAFÉ' - "food for thought" - please let us know what you think of this

Nadar from Kayzar dance attended the meeting and we worked with him to come up with some very exciting ideas for the CAFÉ event which has now been moved to February.

The main idea being to have a stage to perform, in Chelmsford high street, with street dance and poetry/ statements and then other groups to be invited to also perform. Alongside this, there could be tents with workshops on street dance and another run by us, promoting the YEA and UKYP and what we are working on- Cultural Awareness/ stereotypes.

A.O.B

Discussion came up on the possibility of alternating the 2 year term of membership so that for one year, people get the opportunities for Members and the next year, the Deputies get offered these opportunities. The decision was to stick to the two-year term and whether you can attend events or not should be dependant on your work alone.
