#### **CAFE**

We received full funding for posters. Catherine brought new posters in from designer. He has kept original images but just changed the parts we had asked for and made the colours brighter. Fraser suggested moving the logo.

The logo is to be filled with colour and then compared. We are sending out a thank you letter, to Holli's friend Jenny for creating the poster designs.

- **AP-Justin** doing the letter.
- **AP-** Once posters agreed **Catherine** will send them out and those who can print them, please put them out in your constituency.

### **2. HOUSE OF COMMONS**

Justin, Fraser have given consent forms and Catherine gave them media consent forms to be filled in and sent off to UKYP.

### **6. E GROUPS**

- **AP- Catherine:** Fraser, Sam and Holli are to be checked to see if they are on e groups.

## **7. EVENT**

The event to take place in November will be during National Youth Work Week.

Holli says she could get into assemblies to recruit performers, and so will Sam.

We are to contact people about the possibility of supplying us with game consoles and "Buzz" to do a 'CAFÉ' Quiz.

Performances will last four to five minutes; there will be a table for the different acts to publicise themselves.

We are not necessarily to select "polished" performers, mainly people with a message. We want to focus on either the stereotypes of:-

‘Travellers’

‘Chavs’

‘Emo's’

‘Goths’

‘Skaters’

as ones to centre around in the performances. Ideas for our performance:-

Teenage Dirtbag

Street Dance

Poetry

Anybody who knows any street dancer groups to perform with us please contact them. The main ideas that everyone liked was to have a dance performance, whilst reading, singing, saying poetry and/or statements.

## **8. BLACK HISTORY MONTH**

This is in October. If anyone would like to be a part of this, Catherine has been in contact with a lady called Daisy Lee about the possibility of us being involved in the events taking place for this.

## **9. EQUALITY AND DIVERSITY**

Catherine has contacted a lady called Anita Kemp who works on Equality and Diversity strategies for Essex County Council about the possibility of our involvement with the ECC policies.

- **AP- Catherine** to send out dates to meet with Anita Kemp to see how we can get involved influencing Equality and Diversity.

## **10. AOB**

Possible meeting on the 19th September.

Next subgroup 4<sup>th</sup> October.
