1. Alecs was chair and Catherine took the minutes
2. **Resignations:** Rosie has sadly resigned from the YEA due to her commitments
3. **Minutes of last meeting:** Minutes were read and agreed. No further comments to add
4. The posters with the new children and young people's version of the policing pledge have now been distributed to all youth provisions in Essex and should be displayed in local youth centres, connexions etc.

We have also had feedback from the Home Office that they are very impressed with the posters and will be using these at the forefront of any external publicity for the pledge.

5. Discussions continued from the last meeting around curriculum templates and the group worked hard on developing these, getting something down for each of the 4 topics agreed. These will need to be worked on and finalised over the next couple of months.  
Topics were: Internet Safety, Personal Safety, Anti-Social behaviour, Weapons Crime

6. Discussions around a possible event took place and it was agreed that Catherine should email the whole subgroup the ideas to see what everyone thinks and whether or not this will be doable in the remaining time you have in office.

7. An alternative subgroup meeting was mentioned, with maybe an extended meeting incorporating some fun team building activities- maybe using the time to

finalise the curriculum templates. It was suggested that we organise this when the weather is a bit better so that we could do outdoor activities.

**8.** Unfortunately we ran out of time to look at the action plan. This is to be carried over onto the agenda of the next meeting

**9. AOB-** No issues were raised

**Date of next meeting:** 6<sup>th</sup> March
