1. Minutes from last meeting

- Minutes agreed

AP- Fraser to email report on H of C to Catherine

Fraser is the only one whose school mentions equality and diversity in their organisers of those who were present. This is still an idea to look into.

AP- Catherine to contact Channelle and Sally re cookbook

AP- Sam to bring design for cookbook cover to next meeting

2. Transport Update

Hannahh has been working on transport concession card scheme for a long time now and attended the launch of the pilot scheme in Colchester in February. The pilot will run from April- September this year in Colchester only. Hannahh spoke to the local newspapers and heart radio.

3. Residential

Menu options were discussed. Emma-Louise is keen to attend but may not be able to. Others were reminded to bring sleeping bags and post consent forms if not already done so.

4. Global Gala Event- 3rd May

We have been given a place in the Essex tent. We still have scope to have some sort of performance. Kayzar are already performing on the main stage at the event. As a group, we need to think about something we can do as our 'workshop'.

Other ideas: Ask groups of young people to create displays around stereotypes which can be used to decorate the Essex tent.

AP- Catherine to contact groups

A YOF bid was completed to get goody bags to give out at the event with promotional items, raising cultural awareness.

Catherine also to look into possibility of making cakes and decorating them for the workshop idea.

AP- Fraser to email draft letter to invite young people to create a display piece.

5. CAFÉ Updates

No updates

6. AOB.

No other business.
