1. Minutes from last meeting

- Minutes agreed

2. Regional meeting- 26th June

Clare will be taking the group to this meeting. Essex will be the chairs for the meeting part and workshops will be about the annual sitting and the way UKYP will be moving forward.

A draft agenda was drawn up.

Difficult to discuss this further as only Sam will be attending out of those present at the subgroup meeting.

3. Global Gala Evaluations

Fraser and Sam both wrote short evaluations for the global gala event. These will be fed back to Belinda who organised the event.

AP- Please can others who attended send their evaluations to Catherine.

4. Ideas for post-it notes

- Create a body shaped sculpture made out of the post-it notes
- Use the 3 silhouettes from the original CAFÉ posters and create 3 card cut-outs of human shapes with the post-it notes on

AP- Catherine to speak to the designer for ideas

5. Annual Sitting

This will be discussed properly at the next subgroup meeting. Everyone who is attending needs to keep checking emails and giving Catherine information as and when needed to avoid any delays in bookings.

6. New Campaign ideas

Political Education- Consult with young people and teachers in local schools for feedback.

Fraser and Sam discussed what they think would be ideal- both said that political education should be taught between year 7 and 9 to learn about basic politics and then for it to be a GCSE option.

AP- Everyone to think about this and how you would like to take this forward in the remaining time you are in office

7. AOB

Catherine will soon be leaving this role in supporting the YEA when Clare comes back from her maternity leave. You will be kept up to date about this.

Next meeting- 3rd July 2010
